§ 246.5 Rental charges.

The Department will generally not interfere in the regulation of rents by a rent control board or agency constituted under State or local laws (hereinafter referred to as board) for unsubsidized projects with mortgages insured or held by HUD. However, HUD will preempt the regulation of rents, together with any board regulations which require the mortgagor to offer a lease for a term in excess of one year, under certain conditions. This preemption may occur for such a project when the Department determines that the delay or decision of a board prevents the mortgagor from achieving a level of residential income necessary to maintain and operate adequately the project, which includes sufficient funds

to meet the financial obligations under the mortgage.”

§ 246.6 Initiation.

When a mortgagor determines that the permitted increase in rents as prescribed by the board will not provide a rent level necessary to maintain and operate adequately the project, and the mortgagor elects to request preemption under this subpart, it shall:

(a) File an application for whatever relief or redetermination is permitted under the State or local law and;

(b) Notify: (1) The tenants in accordance with § 246.7 of this subpart, (2) the appropriate HUD office pursuant to § 246.8, and (3) the board of the mortgagor's intention to file a request for preemption of local rent control regulation pursuant to the provisions of regulations in this subpart. This action may be taken if either the board's written decision is unacceptable to the mortgagor or no written decision is received from the board within 30 days of the mortgagor's request under paragraph (a) of this section.

§ 246.7 Notice to tenants.

At least 30 days before filing a formal request to HUD for preemption of local rent control regulations, the mortgagor shall notify the tenants of its intention to so file. Copies of the Notice shall be:

(a) Delivered directly or by mail to each tenant; and

(b) Posted in at least 3 conspicuous places within each structure or building in which the affected dwelling units are located.

The Notice shall contain the addresses where the materials, which constitute a complete submission as required by § 246.8 in support of the proposed preemption request, are to be made available to tenants as well as the required information in the following equivalent format:
